

Time is ready for a new logo for the IEWG!

*The old logo:
Not that easy to use!*

Would you like the one who creates it?

The new logo should be simple, easy to use on webpages and print. The logo should reflect on IEWG as a deaf, international and ecumenical organisation.

The IEWG leadership we'll shortlist the suggestions and present them on conference. The participants of the conference will vote for a logo that will be approved during the conference. Each shortlisted suggestion of a logo presented at the conference should get a certificate of honour and goodie bag. The winner will in addition get a price of 100 €.

The suggestions should be in the hands of the IEWG administrator at least 1st October 2018. On the meeting on 15th the leadership of IEWG will do a shortlist about the logos presented at the conference. There the participants may vote and.

Please send your suggestion to michael@deaf-iewg.org!

Thanks 😊
